## Website Security

You shall not endanger or attempt to endanger the security of this website. Any behaviour that compromises website security may incur legal liabilities (including, but not limited to, civil, administrative, or criminal proceedings). We shall investigate all potential or suspected activities that may compromise website security. Upon suspicion of criminal behaviour, we shall immediately report it to public safety authorities and cooperate in investigations by law enforcement agencies. Behaviour that compromises website security includes, but is not limited to, the following:

- Logging on to or attempting to log on to servers or accounts without proper access permission.
- Obtaining or adopting any behaviour in an attempt to obtain data, information, or services of another party.
- Attempting to observe, scan, or test system or network security.
- Tampering with, attacking, modifying, damaging by any means, or violating security or certification measures.
- Transmitting materials that contain viruses, trojans, worms, time bombs, or other malware that can eliminate or corrupt files, computer programs, or engines, or participating in any activities that can damage, obstruct, or otherwise compromise computer performance and website operation.

## Other Prohibited Behaviours

When using this website, you shall not:

- Publish, send, or otherwise disseminate on or through this website any type of or carrier of illegal, infringing, harmful, harassing, defamatory, intimidating, vulgar, pornographic, or hateful content, content using children or infringing or violating the privacy or rights of others, or any content Zenith Energy decides not to publish or disseminate.
- Defame, abuse, harass, stalk, threaten, or otherwise violate the legitimate rights and interests of others (including privacy and image rights).
- Upload or otherwise provide content containing images, software, or other materials protected by intellectual property law, including but not limited to copyrights, trademark law, image rights, and privacy rights, unless you own or hold the above rights or have obtained all necessary certifications and authorizations.
- Disguise your identity or affiliations by any means.
- Engage in deceptive online marketing.
- Violate any applicable laws or regulations.
- Assist in or allow any of the above behaviour.

# Website Terms & Conditions
